

## International Union of Operating Engineers, Local 955

We are Alberta's largest Mobile Equipment trades union local.

Operating Engineers Local 955 10,000 members+ supply their skills to our Construction and Mining Industry, County's, School Districts, etc... in the Edmonton area and throughout Northern Alberta.

Because our region's industrial construction industry is the world's most active - more than \$100 billion worth of oil sands and other projects are underway or planned - we supply more skilled Heavy Equipment trades people work than any other union local in Alberta.

If you're a skilled Equipment Operator, if you want to become one, or if you want a reliable supply of skilled Journeymen and Apprentices for your business, please cruise around our website and chances are you'll find what you're looking for.
